

Plastic Encapsulated Current Transformer

Instrument Transformer
Division

Model 65/14, 65/21

AE- 65(45) Series

- Model 65/14, 65/21 available in Accuracy Class 0.5, 1 & Class 3
- Orders for different ranges of CT's are accepted on request.
- 5A & 1A Secondary available.
- For all transformers DIN RAIL plate can be supplied (as per DIN EN 50022) on request.

Model 70/50

AE-70(50) Series

- Model 70/50 available in Accuracy Class 0.5 & Class 1
- Orders for different ranges of CT's are accepted on request.
- 5A & 1A Secondary available.
- For all transformers DIN RAIL plate can be supplied (as per DIN EN 50022) on request.

Model 78R, 78/20, 78/30, 78/40

AE-78(62) Series

- Model 78(R), 78/20, 78/30, 78/40 available in Accuracy Class 0.25, 0.2, 0.5 & Class 1
- Orders for different ranges of CT's are accepted on request.
- 5A & 1A Secondary available.
- For all transformers DIN RAIL plate can be supplied (as per DIN EN 50022) on request.

Model 98/20, 98/30, 98/40, 98/50

AE- 98(74) Series

- AE 98/20, 98/30, 98/40, 98/50 available in Accuracy Class 0.25, 0.2, 0.5 & Class 1
- Orders for different ranges of CT's are accepted on request.
- 5A & 1A Secondary available.
- For all transformers DIN RAIL plate can be supplied (as per DIN EN 50022) on request.

Plastic Encapsulated Current Transformer

Instrument Transformer
Division

Model 110/40, 110/50, 110/60

AE-110(86) Series

- AE 110/40,110/50,110/60 available in Accuracy Class 0.25, 0.2, 0.5 & Class 1
- Orders for different ranges of CT's are accepted on request.
- 5A & 1A Secondary available.
- For all transformers DIN RAIL plate can be supplied (as per DIN EN 50022) on request.

Model 125/60, 125/80

AE-125(104) Series

- AE 125/60,125/80 available in Accuracy Class 0.25, 0.2, 0.5 & Class 1
- Orders for different ranges of CT's are accepted on request.
- 5A & 1A Secondary available.
- For all transformers DIN RAIL plate can be supplied (as per DIN EN 50022) on request.

Model 155/80, 155/100, 155/100H

AE-155(140) Series

- AE 155/80, 155/100, 155/100H available in Accuracy Class 0.25, 0.2, 0.5 & Class 1
- Orders for different ranges of CT's are accepted on request.
- 5A & 1A Secondary available.
- For all transformers DIN RAIL plate can be supplied (as per DIN EN 50022) on request.
